The Night of Light, is an international initiative to *reclaim Hallowe'en for the church*. It is running in many, many countries in the world from England to India, from Africa to New Zealand and Hungary to the United States, with uncountable numbers of people involved. Celebrations have taken place in small chapels and cathedrals in parish churches and monasteries in Schools, homes and on the streets. The inspiration for it was received by Damian Stayne the founder of the Catholic community, **Cor et Lumen Christi**. The Night of Light has the **endorsement** of the Bishops Conference of England and Wales.

THE POPE TWEETS @pontifex

The company of the saints helps us to recognize that God never abandons us, so that we can live and bear witness to hope on this earth. God can act in any circumstance, even in the midst of apparent defeat.

Please pray for ; for Archbishop Cornelius and the clergy and people of our twin diocese of Bamenda, for an end to the troubles there. .. please pray for seminarian Gerard who was killed by the military, and for his repose, and for his family – and pray for Cameroon for a way out of all these current troubles

News from Bamenda

I was very saddened to hear that last week a first-year seminarian was shot dead by the military in Bamenda. He had just entered the seminary this September. He was an only child. I immediately emailed Archbishop Cornelius to offer our prayers and the promise of prayers for his family. This shocking development reached the press: . Archbishop Cornelius celebrated the funeral the other day, and wrote to me in his email: *Many thanks for your consoling words and prayers. We had the funeral of Gerard today at the Cathedral. There was a good turn up by the faithful from different parishes. The cathedral was full. It was sad but prayerful. I am writing to the Governor about the Incident and the negative attitude of the military towards the Church in this situation. The army has broken into a number of convents and health centres in the pretext of looking for the "amba boys". We find ourselves sandwiched between the military and the amba boys. Continue to pray for us.* Bishop Philip

Catholic Legacy Week 1st - 7th November

Legacy income is vital for the future of our parishes and diocese, and we believe it is important to take positive steps now, to inform and encourage parishioners to think about leaving gifts in their Wills for the long term benefit of the Catholic Community. Relatively few people think about continuing their lifetime support through gifts in their Will. Yet legacies are a very valuable and lasting way to be involved in the Church's ministry and mission, helping to meet the needs of future generations. Although it is a sensitive subject, people are generally only too happy to consider it if asked gently. Pleaser see poster and leaflets at the back of both Churches
